

I am opposed to the ruling that would allow LPFM stations to take priority over current FM translator service. I listen to KLOVE radio daily on 88.1 FM. I also listen to it on the road when I travel on 90.3 FM and 91.3 FM. It is a great uplifting experience for my child and myself to hear good christian music instead of the usual bad language and sexual types of songs usually heard on FM radio stations. Our community is a very christian community and our children need this positive input into their lives. I know a great many people who listen to this station and would be very upset if it were to be replaced. It would be a travesty to lose this station. Please do not support this ruling in order that we can keep our wonderful station in our area!
